Viol. No. **F4940327** Defendant: **Shane P. OVERBY****STATEMENT OF PROBABLE CAUSE**

(for issuance of an arrest warrant or summons)

I state that on 8/8/17, while exercising my duties as a law enforcement officer in the judicial District of California, Rogue River-Siskiyou National Forest, I Officer Douglas Potter was patrolling the Star Ranger District. The Rogue River-Siskiyou National Forest is in current severe fire restrictions and absolutely no camp fires are allowed (except in designated camp grounds) pursuant to Forest Order RSF-06-10-00-17-05. As I was traveling south on NF 1040 road near MM 2.5, I observed a WMA tending to a campfire is a dispersed campsite. I then started to pull into the campsite. As I did, the subject, later identified as Shane P. OVERBY, saw me and started to put water on the fire to put it out. I then contacted OVERBY and asked him if he knew of the fire restrictions, OVERBY said he did and that he was very sorry for the fire. I issued OVERBY one citation for "Building, Maintaining an illegal fire". OVERBY was very apologetic for his actions during the contact.

Viol. No. **F4940328** Defendant: **Shane P. Overby**

STATEMENT OF PROBABLE CAUSE

(for issuance of an arrest warrant or summons)

I state that on 8/12/17, while exercising my duties as a law enforcement officer in the judicial District of California, Rogue River-Siskiyou National Forest, I Officer Douglas Potter was patrolling the Star Ranger District. The Rogue River-Siskiyou National Forest is in current severe fire restrictions and absolutely no camp fires are allowed (except in designated camp grounds) pursuant to Forest Order RSF-06-10-00-16-20. At approximately 1815 I had USFS Firefighter A.J. Panks stop me to inform me that he had observed an unattended campfire at a dispersed campsite located on NF 1040 MP 2.5. Panks also told me fire crews have seen a fire at this campsite every morning for the past several days. I had previously contacted this camp on 8/7/17 and issued VN#F4940327 to Shane OVERBY for having an illegal fire. I pulled into the camp at 1820 and observed OVERBY smoking a cigarette, I told him to put it out, he did. I then asked him about having a fire. OVERBY denied he had one. I then went over to the fire pit and put my hand over it. I could feel the heat emanating from the fire pit, the heat was intense enough to where my hand could not get closer to the heat source than 12-18 inches. I informed OVERBY of my discovery, OVERBY told me it must've been his cousin. I issued OVERBY one citation for "Building, Maintaining, ATTENDING an illegal fire.
